QST
OFFICIAL JOURNAL

November, 1977

Dear Club Officer:

Congratulations on your club's support of the American Radio Relay League. Your club is one of several listed in the November issue of QST as having 100% ARRL members. Our hearty thanks.

As the League does more for you, and every other amateur radio operator, this continued support becomes more and more important. With comprehensive training programs, massive involvement in preparations for the 1979 World Administrative Radio Conference, winning the fight to retain 220 MHz as an amateur band, and participation in hundreds of other projects to further the cause of amateur radio, the League needs the support of every amateur more than ever before.

The affiliated clubs have been the backbone of organized amateur radio since the early 1920's and these clubs are rising to meet the increased challenges of the 1970's. In recognition of this effort, we are enclosing a certificate proclaiming your 100% ARRL membership. It is but a small token of our appreciation.

We hope your club will continue to enjoy the success and rewards of strong involvement in the future of amateur radio. If there is anything we can do to assist you, please do not hesitate to ask. Once again, our sincere thanks. With kindest regards,
I am

Sincerely,

Charles J. Harris, WB2CHO
Club and Training Manager
