**Band/Mode QSO Breakdown:**

	<b>CW</b>		<b>Digital</b>		<b>Phone</b>	
	QSOs	Pwr(W)	QSOs	Pwr(W)	QSOs	Pwr(W)
160m						
80m	227	100			265	100
40m	352	100			427	100
20m	437	100			415	100
15m	64	100			268	100
10m						
6m	7	150			109	150
2m	4	150			17	150
1.25						
Other	3	150			4	150
Satellite						
GOTA					315	100
<b>Total</b>	<b>1094</b>		<b>0</b>		<b>1820</b>	

**GOTA Bonus:** GOTA Coach - Double Bonus Points

<b>Name/Call</b>	<b>QSOs</b>	<b>Bonus Points</b>
Kathy King, KA3VXM	3	0
Joel Stein, (NONE)	104	200
Jeff Cooper, KI4LGI	55	100
Itay Eshed, KG4URX	100	200
Michael Cooper, (NONE)	53	100

**Supporting Documentation Required**

Based on your selections, the ARRL expects to receive supporting documentation:

## N3IC Field Day 2006 Bonus Points

**100% Emergency Power.** Gasoline generator and batteries. No commercial power was used at the site.

**Media Publicity.** An attached press release was emailed to a local newspaper.

**Setup in Public Place.** We were located in Washington Monument State Park, a recreational area which was in active use by the general public during Field Day weekend.

**Information Booth.** ARRL material was displayed and explained to all visitors who stopped by, including Appalachian Trail hikers. A visitor's log was kept (21 people).

### **Message to SM, sent on the Northern Virginia Traffic Net:**

NR 1RHXG N3IC 25 Boonsboro, MD June 25, 2006 2210Z to James E. Cross WI3N, 16013 Dorset Rd., Laurel MD 20707, 301-725-6829 – THE RANDALLSTOWN AMATEUR RADIO CLUB IS OPERATING FIELD DAY FROM WASHINGTON MONUMENT STATE PARK X THERE ARE 15 OPERATORS OF WHICH 3 ARE ARES MEMBERS – ROBERT GLASER N3IC

### **W1AW Message Received:**

QST DE W1AW HR SPCL CW3 FROM ARRL HQ NEWINGTON CT JUNE 23, 2006 TO ALL RADIO AMATEURS – THOUGH MAIN STREET USA HAS CHANGED IN THE LAST CENTURY, THE MAGIC OF AMATEUR RADIO STILL EXISTS. – FIELD DAY IS THE PERFECT TIME FOR THE AMATEUR RADIO COMMUNITY TO DEMONSTRATE THAT IT IS STILL A VIABLE SERVICE IN THE TWENTY FIRST CENTURY. RECRUITING POTENTIAL RADIO AMATEURS AND DEMONSTRATING OUR EMERGENCY COMMUNICATIONS CAPABILITY ARE JUST TWO OF THE CORE ACTIVITIES OF THIS ANNUAL ON THE AIR OPERATING EVENT. – THE NEW GOTA COACH FEATURE IS A GOOD WAY TO ELMER NEW OPERATORS AND HELP BUILD ENTHUSIASM. – DO NOT GET CAUGHT UP IN THE CHASE FOR POINTS DURING THIS ACTIVITY. RATHER, GET CAUGHT UP IN BRINGING THIS GREAT HOBBY TO THE NEXT GENERATION OF OPERATORS. PLEASE NOTE THAT THERE COULD BE ARIZONA WILDFIRE RELAYED EMERGENCY TRAFFIC ON 40 AND 75 METERS SO BE SURE TO LISTEN BEFORE TRANSMITTING. MORE INFORMATION ON THIS IS AVAILABLE ON THE ARRL WEB. – THE DEADLINE FOR SUBMISSION OF YOUR FIELD DAY REPORT IS JULY 25. – ENJOY THE WEEKEND AND LEARN SOMETHING NEW. GOOD LUCK AND 73

--- End of message ---

**Natural Power.** Initially discharged batteries were charged with solar cells (photo attached) and subsequently used for the following contacts:

50 MHz phone: K3MAD W3SO VE1FO W3ACH

50 MHz cw: W3SO

**Non-traditional Demonstration.** Amateur TV was transmitted on the 432 MHz band of live Field Day action; and an APRS station was run. Photos attached.

**Youth operators:** the following made at least one QSO: Joel Stein age 15, Jeff Cooper age 13, and Michael Cooper age 10. Coached by K3MZ, WA3OFC, WA3PYU, and K3AN.

**Site Visit by invited served agency official.** Kathy King, EC of Allegheny County was invited and visited the operation.

FOR IMMEDIATE RELEASE

June 26, 2006

Radio Club Participates in "Field Day"

The Randallstown Amateur Radio Club took part in an annual national emergency preparedness test on Saturday and Sunday, June 24th-25th. The club was founded in 1970 with the opening of Randallstown Senior High School. Over the years the individual members have gone their separate ways and spread out across the country, yet a core group of the original "hams", joined by others attracted to the club, have gotten together every year to participate in the American Radio Relay League's Field Day activity. The annual event has become somewhat of a reunion, being the only time many of the group see one another any longer. This year marks the thirty-sixth consecutive year the group has operated the event, and members from Florida, North Carolina, Pennsylvania, Virginia, and Maryland were on location. Some of their children now participate in the outing.

On the Field Day weekend, thousands of Amateur Radio operators in the U.S. and Canada set up their stations in the open using only emergency power and portable antennas. They contact as many operators as possible in the 24-hour period. These tests are designed to help hams refine operating skills so necessary during disasters and times of emergency when normal channels of communication are disrupted or unavailable.

This year the local club set up operations in Washington Monument State Park, west of Frederick, at an elevation of 1830 feet. They always seek out high spots in order to strengthen communications -- they made thousands of contacts with similar groups around the country.
